

# Griffith Ehebha

EVP, Risk & Information Security

Griffith joined Interswitch on the first of July 2019 as Group Chief Risk Officer. Until he assumed duties at Interswitch, he was the Head, Information Security Governance, Risk and Compliance in Access Bank Plc. With over 18 years experience in the Nigerian banking industry: spanning core IT services, Process Re-Engineering, Information Security, and Risk Management & Control.

He worked with Diamond bank as Head of Operational Risk management and as Chief Information Security Officer (CISO) between 2012 and 2019. He also worked with Fidelity Bank from 2002 - 2012, where he held the position of IT Security Administrator, Head of Networks, and Head of E-Channels Support at different times, having begun his banking career with UBA Plc in the year 2001 as network Engineer.

Griffith holds a Bachelor's (B.Eng.) in Computer Science & Engineering from the Enugu State University of Technology, an Executive Master's in Business Administration (MBA) from Pan-Atlantic University (Lagos Business School), as well as multiple professional certifications in IT, Risk Management, Audit and Cybersecurity.
