

# Mitchel Elegbe

Group Managing Director / Chief Executive Officer

Before establishing Interswitch in 2002, Mitchell worked with TELNET as the Group Head for Business Development after an impactful time as a Wireline Engineer at Schlumberger.

An alumnus of the IESE/Wharton/CEIBS Global CEO Program, Mitchell is a Bishop Desmond Tutu fellow of the African Leadership Institute. Building a remarkable career on his background as an Electrical/Electronic Engineering graduate from the University of Benin, Nigeria, he has won several awards, including the CNBC/Forbes All African Business Leader (AABLA) for West Africa, and Ernst and Young Entrepreneur of the Year Award.

Mitchell currently serves as a Board Member at Endeavor and is reputed as a High Impact Entrepreneurship Enabler.
