

# Oremeyi Akah

Chief Customer Experience Officer

Oremeyi joined Interswitch in 2002 and has since performed several roles within the organization including Payment processing, Cards business and product operations.

With over 16 years work experience, Oremeyi became the COO in April 2016. An alumnus of the University of Cambridge UK and MBA holder from the Judge Business School, Oremeyi is an Electrical and Electronics Engineering graduate from the University of Benin.

A member of the Winning Team at the 2011 Hult Global Case Challenge (largest international crowdsourcing competition), Oremeyi was awarded divisional head of the quarter (Interswitch Limited Q2 2010) for team motivation and work expertise and served as the first certified e-payment Postilion (now S1) trainer in Africa (outside South Africa).
